

Publication Offer

OUR new edition of *The Voyage of Governor Phillip to Botany Bay* is now completed print production and the first copies have been received from the binder.

ONLY 200 copies are available for sale. We hope and expect that the entire edition will be rapidly sold out, especially the Deluxe and Special versions. A large contingent of pre-publication orders has encouraged us to engage in future projects. We have in preparation and planning several projects of Australian History, Exploration, Art and Natural History (both reprints and entirely new works) which we believe will be of significant interest but we depend on your active support and encouragement, so offer attractive discounts for pre-publication orders.

The edition is available in three versions:

The **LIMITED EDITION** of 100 copies numbered 101-200 contains 31 fine coloured plates from the very rare hand-coloured copper-plate originals of the deluxe issue of the first edition, together with 3 uncoloured natural history plates, a plate of Aboriginal artefacts, 7 fine views and two coastal profiles, 4 portraits and 7 charts (in all 55 charts and plates). These copies are priced at Australian \$2950.00 (postage extra).

The **DELUXE EDITION** comprises 75 copies numbered 26-100 and includes in addition to the 31 coloured natural history plates a complete set of 31 uncoloured plates taken from a copy of the uncoloured original issue (86 plates in all). These copies are priced at Australian \$3850.00 (postage extra).

The **SPECIAL EDITION** comprises copies numbered 1 to 25 and includes in addition to the 86 coloured and uncoloured plates & charts (31 coloured and 55 uncoloured) an additional suite of the 31 coloured plates, plus the 48 uncoloured plates, unbound and suitable for framing. These copies are housed in a full cloth Solander box and are priced at Australian \$5250.00 (postage extra). **This version is nearly sold out.**

All copies will be shipped in a specially designed damage-proof mailer-box reinforced on all edges with box-form construction and double thickness, double strength heavy duty twin-cushioned cardboard on all sides.
