82 Smith, Lieut.-Col. Chas. Hamilton. *The Natural History of the Human Species: Its Typical Forms, Primeval Distribution, Filiations, and Migrations.* Illustrated by numerous engravings. With a preliminary abstract of the views of Blumenbach, Prichard, Bachman, Agassiz, and other authors of repute on the subject. By S. Kneeland, Jr., M.D. Demy 12mo; pp. [iv], xiv, [15]-420 (last blank), [421]-424 (last blank, Appendix), [8] (adv.); lithographed illustrated title-page (additional) & 11 lithographed plates, appendix; original blind-stamped cloth (spine a little worn; minor staining to inner margin of first few leaves; some foxing); a very good copy; scarce. Boston; Gould and Lincoln; 1855.

***A curious edition. The lithographed title-page is dated 1851, but the work was first published in London in 1848 without the abstract by Kneeland (Boston, 1851), which first appeared in Gould and Lincoln’s 1851 edition. The verso of the (typeset) title-page states that it was “Stereotyped by Hobart & Robbins; New England Type and Stereotype Foundry, Boston.” and below (in different type) “Printed by George C. Rand & Co., No. 3 Cornhill.” There is also a “Publishers’ Advertisement to the English Edition”, (pp. v/vi), however everything about the printing and make-up of the volume (printing, paper, imposition, binding, etc.) is suggestive of an American rather than English production. The work includes references to Australian, Papuan and New Zealand natives and there are illustrations of a Papuan and a New Zealander. #65489

NOTICE TO CUSTOMERS:

This is our one hundred and twenty-fourth short list. We hope you find something of interest.

We intend to produce many more lists in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. This has the obvious advantage of reducing costs and enhancing the speed of delivery and the email/PDF versions will also be enhanced with colour illustrations. A fully illustrated version of this list in pdf format is also available on our website or will be emailed on request. Likewise we encourage you to send orders by email, fax or telephone.

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by fax or post. If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist.

We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: books@GastonRenard.com and copying and pasting the entries of the items you want from the list above. If you encounter any difficulties, please let us know! For orders by fax or by post please use the Order Form at end.
