The introduction [to this collected issue] notes: "The first lecture in this volume inaugurated the winter series, 1869, and was published in pamphlet form, but met with so limited a sale, that it was considered inexpedient to continue the experiment. ... Considerable disappointment and dissatisfaction having been expressed, at the the non-publication of the whole of the first series, the Committee determined to make arrangements for publishing each Lecture of the winter series, 1870." The Early Closing Association was an organisation of retail workers formed in Victoria in the 1850s which had counterparts in the U.K. in the 1840s and similar organisations were founded in South Australia, Queensland and New South Wales in later years. With the object of securing improved working hours and earlier shop closing times, the organisation relied on Public Meetings and 'moral persuasion' rather than strike action. The lectures by M'Coy and Bromby are of particular interest for the ongoing debates between religion and evolution.*

NOTICE TO CUSTOMERS:

This is our three hundred and second short list. We hope you find something of interest.

We intend to produce many more lists in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. This has the obvious advantage of reducing costs and enhancing the speed of delivery and the email/PDF versions will also be enhanced with colour illustrations. A fully illustrated version of this list in pdf format is also available on our website or will be emailed on request. Likewise we encourage you to send orders by email, fax or telephone.

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by post. **Please note we no longer have fax facilities.** If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist. We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: books@GastonRenard.com and copying and pasting the entries of the items you want from the list above. If you encounter any difficulties, please let us know! For orders by post please use the Order Form at end, we do however recommend email as cheaper, faster and more efficient.
