First Edition; pp. [ii], 102(last blank); folding map (partially hand-coloured) showing the location of the goldfields; contemporary calf-backed cloth boards, armorially stamped; (first four leaves slightly foxed; otherwise fine and clean); top edge gilt, others uncut; a very good copy; rare. London; T. & W. Boone; 1851. \*\*\**Ferguson 9461 (collation inaccurate). With the bookplate of the noted historian, politician and collector, Sir William Stirling (and with a typewritten summary of his life loosely inserted). Erskine, better known for his "Journal of a Cruise among the Islands of the Western Pacific", visited Australia in 1851 and wrote this account of the discovery of gold in New South Wales on his passage back to England. He made a personal excursion to the new discoveries, or diggings, as he refers to them at Summer-hill Creek and the Turon River. His dated notes of this journey form the appendix to this volume which commences with a brief account of the earliest discoveries of the 1820s and earlier, and continues with a detailed account of the discoveries from the late 1840s onwards. The map is adapted from Mitchell's map and information from H.M.S. Acheron and drawn up by Captain John Lort Stokes for the Author. This was the first eyewitness account of the goldfields and is particularly rare in this first edition. A second edition was published in 1852; this is also of considerable rarity. #16725* **A\$4500.00**

## NOTICE TO CUSTOMERS:

This is our three hundred and twenty-eighth short list. We hope you find something of interest.

We intend to produce many more lists in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. This has the obvious advantage of reducing costs and enhancing the speed of delivery and the email/PDF versions will also be enhanced with colour illustrations. A fully illustrated version of this list in pdf format is also available on our website or will be emailed on request. Likewise we encourage you to send orders by email, fax or telephone.

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by post. **Please note we no longer have fax facilities.** If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist. We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: [books@GastonRenard.com](mailto:books@GastonRenard.com) and copying and pasting the entries of the items you want from the list above. If you encounter any difficulties, please let us know! For orders by post please use the Order Form at end, we do however recommend email as cheaper, faster and more efficient.
