# CONSCRIPTION

*Demands Immediate Action!*  
*It is being fastened on to the People NOW!*

Australian manhood is being called up in rotation! Having taken the oath of allegiance and served a period in camp, they return to civil life—

**BUT ARE STILL SOLDIERS LIABLE TO BE CALLED UP AGAIN!**

When a sufficient number have been brought under military law, Conscription can be extended to cover overseas or industrial service **WITHOUT A REFERENDUM!**  
 Protests or strikes would have little chance of success. The men could be called up as soldiers. The time to organise against Conscription is NOW.

**BEFORE TOO MANY ARE UNDER MILITARY LAW FOR OPPOSITION TO BE EFFECTIVE!**

**UNDER THE ORIGINAL MILITARY TRAINING SCHEME**—Approximately sixteen days' training—in all other respects the citizen remained a civilian, **NO OATH OF ALLEGIANCE!**  
**UNDER THE PRESENT COMPULSORY MILITARY SERVICE SCHEME**—Three months' training **AND AN OATH OF ALLEGIANCE ADMINISTERED!**  
 Which means that on return to civil life **"THE CITIZEN IS STILL A SOLDIER SUBJECT TO MILITARY LAW."**  
 In every country which has military and industrial Conscription it was introduced "just for home defence."  
 There can be no greater threat to the **LIVES** and **LIBERTIES** of the people than Conscription. Real leaders, as apart from job holders and reactionaries, are already fighting Conscription. Measure the sincerity of your leaders by their activity in this, **THE MOST VITAL FIGHT THEY WILL EVER HAVE TO WAGE ON YOUR BEHALF!**  
 In England **THE EMPLOYERS** have been given the right to decide which of their workers should be conscripted.  
 The National Security Act can be used to make public discussion or literature, which in any way refers to Australian defence, illegal. Any reference to Conscription might be construed as a reference to Australian defence! Both the 1916 and 1917 Referenda proved **THAT THE AUSTRALIAN PEOPLE DO NOT WANT CONSCRIPTION.**  
 In a democracy the people are masters and the politicians servants of the people. Join with your fellow-citizens in requesting the immediate repeal of the **COMPULSORY** service clauses of the Defence Act.

Address Correspondence to the Secretary,  
**J. WALSH,**  
 144 Simpson St., East Melbourne.

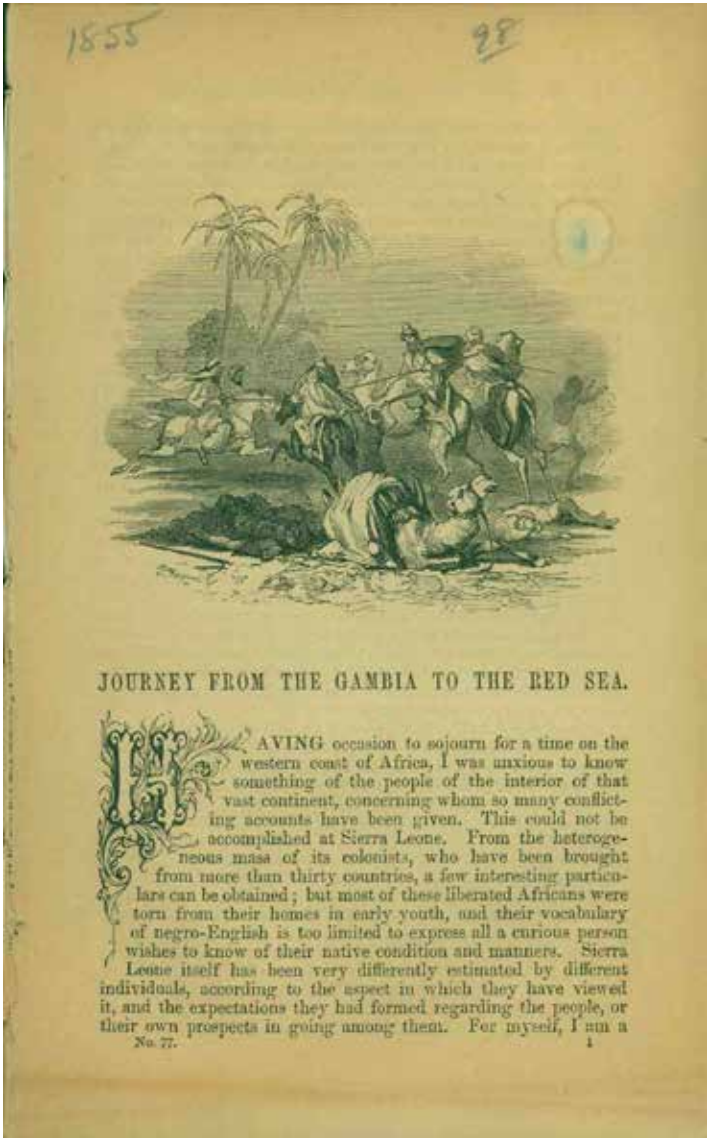

**Act Now**

**THOMAS MILLER,**  
 President,  
 No-Conscription Fellowship.

Conscriptionists will not mention industrial or overseas Conscription until the Federal elections are over. Do not be lulled into a sense of false security.  
 The N.C.F., which is not an offshoot of any other organisation, meets every Monday evening (8 p.m.), 20 Russell Street, Melbourne (opposite State Picture Theatre).

- 93 **Sherrard, James E.**; Compiled by. **Exhibition Buildings Melbourne. ILLUSTRATED OFFICIAL HANDBOOK TO THE AQUARIUM, PICTURE SALON, AND MUSEUM COLLECTIONS** under the control of the exhibition trustees. 4to, First Edition; pp. viii, 98; very numerous illustrations; original stiff pictorial wrappers; a fine copy; rare. Melbourne; Robt. S. Brain, Government Printer; N.D. [c. 1896]. *\*\*\*Not in Ferguson, nor in ANB (but it would not qualify if our estimate of the date of publication is correct). There are two internal clues to the date of publication: on page 87 is an astronomical article signed by P. Baracchi and dated 16/6/96 and on page 77 is a reference to Parts I and II [only] of French's Handbook of the Destructive Insects of Victoria of which Part III was published in 1900. Ferguson 15643 (3 copies only) lists a work of approximately similar title by the same compiler, but it is of 8vo format, 120 pages, apparently in plain (i.e. without illustration) typeset wrappers dated 1894, and has different content. The present work is quite an elaborate production with over 140 illustrations including many different species of fishes and other marine life and other examples of Australian natural history, as well as paintings, buildings, industrial and agricultural processes. The text includes quite detailed information on these and other topics. #68486* **A\$350.00**

## NOTICE TO CUSTOMERS:

This is our three hundred and fiftieth short list. We hope you find something of interest.

We intend to produce many more lists in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. This has the obvious advantage of reducing costs and enhancing the speed of delivery and the email/PDF versions will also be enhanced with colour illustrations. A fully illustrated version of this list in pdf format is also available on our website or will be emailed on request. Likewise we encourage you to send orders by email, fax or telephone.

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by post. **Please note we no longer have fax facilities.** If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist. We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: [books@GastonRenard.com](mailto:books@GastonRenard.com) and copying and pasting the entries of the items you want from the list above. If you encounter any difficulties, please let us know! For orders by post please use the Order Form at end, we do however recommend email as cheaper, faster and more efficient.
