52 Rosove, Michael H. **ANTARCTICA, 1772-1922.** Freestanding Publications through 1999. 4to, First Edition; pp. xxx, 538(last blank); 10 plates (5 col.), 3 indices (author/editor, title, and subject); original quarter buffalo hide, with linen sides, acid-free paper; a fine copy. Santa Monica, California; Adelie Books; 2001. ***Limited edition of 500 numbered and signed copies. A “must have” for anyone interested in Antarctica, this new bibliography, the latest word on Antarctica's classical and heroic periods, is the result of ten years research including the examination of private collections, booksellers holdings, and the repositories of twelve of the worlds most important libraries and archives (Scott Polar Research Institute, Royal Geographical Society, Royal Society, British Library, Bibliotheque Nationale, Mawson Collection, Baker Library at Dartmouth, Hill Collection, Scripps Oceanographical Institute, UCLA, Huntington Library, and Library of Congress), aided by bibliographies, twenty years of booksellers catalogues, and computerized databases. The bibliography contains many rare and virtually unknown publications and clarifies innumerable obscure points of interest. Included are all publications in the original language of the author and English-language translations. (Non-English translations are given in brief.) Given are all contemporary publications (prospectuses, narratives, science) and selected post-contemporary publications (memorials, diaries, autobiographies, biographies, analyses, bibliographies, references, humanities) in all identified editions, printings, and variants, with binding and collation details, bibliographical references, ISBN, rarity, original price, and referenced commentary. Less important post-contemporary publications are listed in brief. Author/editor, title, and subject indexes are provided. #64738 A$395.00
53 **Rosove, Michael H.** ADDITIONS AND CORRECTIONS SUPPLEMENT to the Rosove Antarctic Bibliography. 4to, First Edition; pp. xiv, 50(last blank); 4 col. plates; original quarter cloth, with linen sides, acid-free paper; a fine copy. Santa Monica, California; Adelie Books; 2008. ***This important supplement covers the same subject period as the original bibliography and has resulted from the contributions of over fifty polar book collectors, booksellers, and historians. Heretofore unrecognized publications (including sixteen primary works) are now described, with much additional information about previously reported publications and the correction of errors. #21934

59 **Shackleton, E. H.** *THE HEART OF THE ANTARCTIC.* Being the Story of the British Antarctic Expedition 1907-09. With an Introduction by Hugh Robert Mill, D.Sc. An Account of the First Journey to the South Magnetic Pole by Professor T. W. Edgeworth David, F.R.S. 2 vols., thick cr. 4to, First Edition; Vol. I, pp. xlviii, 372; Vol. II, pp. xvi, 420(last blank); very numerous plates, maps and other illus. as detailed below, 10 appendices, index; original silver-decorated cloth (slight waterstains to lower edge; spines faded & joints cracked; some foxing & occasional small waterstains to lower margins of some plates); still a very good, sound set; top edges gilt; scarce. London; William Heinemann; 1909. ***The Appendices contain the scientific notes and technical data of the expedition. The maps and illustrations are as follows:- Vol. I: photogravure portrait frontis., 6 full-page col. plates with titled tissues, 77 full-page b/w. plates, 24 b/w. plates with two illus. per plate & 1 with 3 illus.; 3 double-page b/w. plates & 11 illus. in text; Vol. II: 3 folding maps in pocket, 2 panoramas on large folding sheet in pocket, photogravure frontis., 6 full-page col. plates with titled tissues, 51 full-page b/w. plates, 37 b/w. plates with 2 illus. per plate, 4 b/w. plates with 3 illus. per plate and 1 with 4 illus., 1 double-page b/w. plate & 38 illus. in text. The collation of this work is notoriously tedious (though quite straightforward) but the number of plates etc. given above have been thoroughly checked and can be regarded as definitive (for this First, London, Edition only!). This copy contains in addition an Errata slip to Volume II, not always present. As with all books we offer for sale, this work has been collated in detail, and is absolutely complete. This is our fifty-seventh short list. We hope you find something of interest.

We intend to produce many more in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. This has the obvious advantage of reducing costs and enhancing the speed of delivery and the email/PDF versions will also be enhanced with colour illustrations.

A fully illustrated version of this list in pdf format is available on our website or will be emailed on request. Likewise we encourage you to send orders by email, fax or telephone.

If you would like to receive future lists please indicate your interests by email (preferred) or by using one of the forms below by fax or post. If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist.
